Vacation Crime Prevention Tips

Crime prevention is the cornerstone for reducing crime. Burglars and thieves are, in general; opportunist. They look for victims that offer the least risk of being discovered; the greatest opportunity for easy gain; and, maximum potential to go unnoticed. Thus, by reducing a potential criminal's opportunity, you may in fact deter the crime.

While gone make sure you arrange to stop or pick up mail and newspapers, make sure the house looks normal and "alive".

Before you go on vacation contact the Platte City Police at 858-5150 to request a "vacation watch in passing". Officers on patrol will be aware you are not home and will patrol past your home on a more frequent basis.

Check the Police section of the City website at www.plattecitmo.org for more vacation safety tips.
