RECYCLING CHANGES THIS FALL

The City is changing its curbside recycling program this fall. Collection dates will stay the same but new wheeled carts will be delivered and allowable materials will change.

The change over date will be set as the delivery date for the new bins and collection truck is known.

A wheeled recycling cart will be delivered to all residents at no cost to the resident. The new cart is displayed in the City Hall Lobby.

Call Public Works at (816) 858-4815 with any questions.

New Recycling Materials

**Cardboard will be IN,
Glass will be OUT**

The new recycling system will accept the same materials, except glass will be dropped and cardboard, and similar material such as cereal and food boxes, will be added to the curbside program.

Glass will be accepted at Price Chopper/Ripple Glass or at Platte City Public Works on First Street.

These changes will not occur until the new cart is delivered to your house this fall
