Recycling News GOOD and Not So GOOD

Good News: There is 100 tons of good news for the first six months of the new curbside recycling program. Residents have reduced trash tonnage and increased recycling tonnage by 100 tons compared to the same six months last year. The reduction in tonnage sent to the landfill is a direct savings of \$3,400 in landfill tipping fees. This is equal to almost three months fuel for the City's trash and recycling trucks.

Not So Good News: The bad news in recycling is that it is too easy to put trash instead of recycling in the new wheeled containers. Please use the green wheeled containers for recycling only.

Solid Waste crews will tag and empty containers the first time they contain trash rather than recycling. **Containers tagged more than once will not be serviced by solid waste crews.** Contact Public Works at 858-4815 or visit www.plattecitey.org for recycling questions.

SAVE 50% ON SIDE WALK REPAIR

SIDEWALK REPAIR COST SHARE PROGRAM

The City has a cost share program to ease the financial burden of sidewalk upkeep and replacement. Although property owners are responsible for maintaining the sidewalk in front or alongside their house, the City cost share can help cut repair costs in half. If the sidewalk in front of your property is in a dangerous or defective condition contact the Public Works Department at 858-4815 for more information.

GREEN WASTE/YARD WASTE SITE OPEN

City residents may drop off their green waste (yard waste, grass clippings, brush, cut up trees, etc) at the City Yard Waste Drop Off Facility in Riverview Park at the end of Mill Street. \$20 Access Card Required, Open to City residents only, no contractors. Contact City Hall, 858-3046 for card purchase.
