August is Primacy Fee Month on Your Water Bill
Every August your city utility bill includes a charge shown on the bill as the "Primacy Fee". This is a one time per year pass through of a state fee to partially fund the Department of Natural Resources (DNR) water and wastewater inspection and environmental compliance programs.

Every state regulated water and wastewater utility in Missouri is required to collect this fee for DNR.

The fee is based on meter size. The Primacy Fee charge for a standard residential customer is \$3.70. Anyone with a meter that is larger than a standard residential meter will have a higher primacy fee. Contact Utility Billing at 858-3046 with any questions

Vacation Crime Prevention Tips

Crime prevention is the cornerstone for reducing crime. Burglars and thieves are, in general; opportunist. They look for victims that offer the least risk of being discovered; the greatest opportunity for easy gain; and, maximum potential to go unnoticed. Thus, by reducing a potential criminal's opportunity, you may in fact deter the crime.

While gone make sure you arrange to stop or pick up mail and newspapers, make sure the house looks normal and "alive".

Before you go on vacation contact the Platte City Police at 858-5150 to request a "vacation watch in passing". Officers on patrol will be aware you are not home and will patrol past your home on a more frequent basis.

Check the Police section of the City website at www.plattecitcity.org for more vacation safety tips.

Barking Dogs

Be a good neighbor, barking dogs are not a "treat" to your neighbors.
